Adopted this 22nd day of Jan. 1901. B. F. FRENCH, Pres. D. LACY, Sec. and Treas. Their Claims Set at Rest. The claim of other cough medicine to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardner, Mo. He says: "I had kept adding to a cold and cough in the winter of 1907, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Housheer and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by the City Drug Store and F. J. Ramsey.
